

## § 1010.210

cases where a plat has been recorded, submit a copy of the recorded plat. This plat should be an exact copy of the recorded document. It should reflect the signatures of the approving authorities and bear a stamp or notation by the recorder of deeds, or similarly constituted officer, as to the recording data.

(ii) If the plat has not been approved by the local authorities nor recorded, and if it is not unlawful to sell lots prior to final approval and recording, submit a map which has been prepared to scale and which shows the proposed division of the land, the lot dimensions and their relation to proposed or existing streets and roads. The map shall contain sufficient engineering data to enable a surveyor to locate the lots.

(iii) Whether recorded or unrecorded, the plat or map should show:

(A) The dimensions of each lot, stated in the standard unit of measure acceptable for such purposes in the political subdivision where the land is located.

(B) A clear delineation of each of the lots and any common areas or facilities.

(C) Any encroachments or rights-of-way on, over, or under the land, or a notation of these items together with the identity of the lots affected.

(D) The courses, distances and monuments, natural or otherwise, of the land's boundaries; contiguous boundaries and identification or ownership of adjoining land and names of abutting streets, ways, etc.

(E) The location of the section or unit encompassing the lots in relationship to the larger tract, or tracts, in the subdivision.

(F) The delineation of any flood plains or flood control easements affecting any of the lots.

(iv) The plat, or map shall be prepared by a licensed surveyor or engineer.

(v) If all lots on each page of the plat are not included in the Statement of Record with which the plat or map is submitted, then the lots which are to be included in the Statement of Record shall be identified on the plat or map; a legend describing the method of identification shall be entered on the face of the plat or map and the number of

lots so identified entered in the lower right hand corner of the plat map. The Director must be able to reconcile the totals of these numbers with the information given in §§1010.108 and 1010.208 of the Statement of Record and the title evidence.

(2) *Environmental impact study.* If the developer is aware of any environmental impact study which considers the effect of the subdivision on the environment, submit a summary of that study.

(3) *Restrictions or covenants.* Submit a copy of any recorded or proposed restrictions or covenants for the subdivision if not submitted elsewhere in this Statement of Record. A copy of these restrictions or covenants shall be delivered to a prospective purchaser upon request. A supply shall be maintained at whatever place or places as will be necessary to allow immediate delivery upon request.

### § 1010.210 Roads.

(a) State the estimated cost to the developer of the proposed road system.

(b) If the developer is to complete any roads providing access to the subdivision, submit copies of any bonds or escrow agreements which have been posted to guarantee completion thereof.

(c) Submit copies of any bonds or escrow agreements which have been posted to assure completion of the roads within the subdivision.

(d) If the interior roads are to be maintained by a public authority, submit a copy of a letter from that authority which states that the roads have been, or the conditions upon which they will be, accepted for maintenance and when.

### § 1010.211 Utilities.

(a) *Water.* (1) State the estimated cost to the developer of the central water system.

(2) If water is to be supplied by a central system, furnish a letter from the supplier that it will supply the water. If the system is operated by a governmental division or by an entity whose operations are regulated by a governmental agency but which is not affiliated with or under the control of the developer, the letter shall include a
